

## Welcome.

We at 21 Firs Software Services, Inc., believe excellence in communication is the key to success in all areas of life. In keeping with this belief, I have designed our software tools to promote learning and facilitate excellence in communication. Our desire for you is that through the use of our tools, you will experience the success that comes with better communication.

Shan J. Gill, President  
21 Firs Software Services, Inc.
